

The network journey

Where the network will operate

We want to work **across** Africa. In order to be a fully representative African network, we need to broaden our reach. By 2030 we are looking to have active members in **at least three regions** on the continent, growing our presence in Southern Africa, alongside an expansion to West Africa.

This growth will be led by the network themselves, who will choose how and where we grow. Our priority will always be focused on working with African organisations who work for children with disabilities and see value in joining the Network.

Currently working in Uganda, Kenya, Tanzania, Rwanda, Malawi and Zambia, we foresee working across more countries in East and Southern Africa as well as West Africa by 2030, as demonstrated by the map.
